

## Home sale preparation

Are you a real estate agent preparing a home for sale? Let Bock's Moving Systems remove the clutter and store it for you! We take special care preparing the space to prevent damage to both the home and the items being moved. Bock's Moving Systems can help you sell your home!

Any good real estate agent will tell you that a well staged home sells faster. By removing and storing clutter from your attic, garage, basement, and spare rooms, Bock's Moving Systems can help your Knoxville, Blount County or Sevier County home go from "for sale" to "sold," while making your ultimate relocation smoother and easier.

### We protect your property

Free transport wardrobes for your clothes...  
Free bedding bags to cover your mattresses...  
Pad wrapping for every inch of your furniture...

We go out of our way to ensure that your possessions arrive in the same condition as they were in before your move. Just as important, we are extra careful to prepare your house with padding and matting to keep doors, walls, carpets, and floors from getting dinged, soiled, or scuffed. When you move with us, not an penny of your home's value will be compromised.

### We supply the best movers

We hire the best movers in the area. Our courteous, uniformed professional movers have undergone thorough background and drug screenings. Each of our men has been with us for at least five years, and our crews always work under an on-site supervisor.

For a local or long distance residential moving estimate to Knoxville, from Knoxville, or within Knoxville and surrounding counties, call Bock's Moving Systems at 865-691-MOVE (865-691-6683).
